

# **OPEN ENROLLMENT**

## **Application Period**

Parents/Guardians,

Please be advised that the official “open enrollment” application period for intradistrict student transfers for the 2009-2010 school year is **November 3-26, 2008**.

**Parents residing within the Chino Valley Unified School District** may apply for a transfer for the 2009-2010 school year if they wish their student(s) to attend a school other than their school of residence. **Parents may submit only one transfer application per student.**

Beginning November 3, 2008, applications for fundamental schools are available at Anna Borba Fundamental, Briggs Fundamental, or the Student Support Services Office. Applications for all other schools are available only at the **Student Support Services Office, 13453 Ramona Ave, Chino**, any school day beginning November 3, 2008, from 7:30 a.m. – 4:30 p.m.

A random, unbiased, lottery-style selection method will determine the rank on the waiting list for each school by grade level. **Open Enrollment requests will be accepted only for the 2009-2010 school year.**

**NOTE:** If you **live outside** the Chino Valley Unified School District boundaries, you should contact your district of residence for an interdistrict transfer in **March 2009**.
